

NEOGROUND GMBH: NOT JUST A PROVIDER OF PREMIUM DIGITAL TRANSFORMATION SERVICES, BUT ALSO AN INNOVATOR OF CUTTING-EDGE PRODUCTS.

OUR ARRAY OF SOFTWARE SOLUTIONS AND OPEN-SOURCE PROJECTS AIMS TO OPTIMIZE BOTH YOUR BUSINESS AND PERSONAL LIFE.

→ PENTAPAPER

Our all-in-one business solution, PentaPaper, serves as the backbone of your company. It allows for efficient customer relationship management, invoicing, expense tracking, and effective project management. Save valuable time and resources through integrated workflows.

→ GIBTS-VOR-ORT

Bridging regionalism and digitalism is our aim with Gibts-vor-Ort (loosely translated "Get it locally / regional"). This online shopping solution for small businesses and retailers brings local products into the digital space. Customers can order goods for pick-up or delivery, thereby expanding the reach of retailers.

→ DOWNRICH

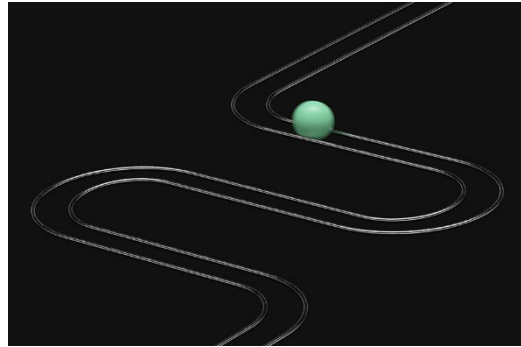

Downrich is our contribution to optimizing personal and professional organization. This powerful tool for managing notes, tasks, and various types of projects simplifies structuring and prioritization. Discover how Downrich can help you become more efficient, both professionally and personally.

→ OPEN-SOURCE PROJECTS

Our passion for open-source manifests in a variety of projects, including our specialized Weewx themes and our proprietary PHP framework "charm." We believe that transparent and accessible technology lays the groundwork for a digitally advanced society.

→ MORE IN THE MAKING

Our team is continually engaged in developing new products that can enrich both your digital day-to-day life and your business environment. Among the future projects already undergoing internal testing are Shackleton or PhotoDesk. Our enthusiasm for innovation is our driving force.

If you wish to learn more, our team is always available for further inquiries. We also warmly invite you to visit our website for detailed information and to follow our latest product updates. At Neoground, we are always looking ahead, as innovation and a focus on quality are our perpetual companions.
